

Signature Event Update | Taste Lake Country

Dear Lake Country Scenic Sip Visitors

We have been thinking about you all during this time and hoping you are all holding up ok. Thank you for your patience as we navigate and come to a decision on our upcoming Signature Event Taste Lake Country.

We are closely monitoring the Coronavirus (COVID-19) situation and are following the directions from Health Canada and the Province of British Columbia.

Taste of Lake Country scheduled for April 25 and April 26, 2020 will be postponed until a late summer date. We will continue to follow the guidelines set by the province and Health Canada. Once information is made available that will allow us to make the best decision, we will release communication announcing the new dates for our Taste Lake Country Seafood Festival.

Should you require additional tickets, please contact the winery nearest to you.

At this time, should you wish to return your tickets for a refund, you must return them to the winery in which they were purchased. As some of our Trail partners are operating by appointment only or temporarily closed, it may take some extra time. Please phone the desired winery to confirm hours of operation. We appreciate your patience as we navigate this unfamiliar territory.

Sincerely,
Lake Country Scenic Sip Trail
